

WHY PUBLISH WITH SGP ?

PEER REVIEW PROCESS

At least three expert reviewers in the specific field will do the screening of the submitted manuscripts.

HIGH AVAILABILITY

All published material is freely available online, under the open access regulations.

HIGH VISIBILITY

All books and journals are indexed and abstracted in worldwide databases of high reputation.

RIGOROUS FAST REVIEW AND PUBLICATION TIME

A timely constructive high quality review process of maximum 8 weeks is guaranteed for publication.

FREE OF DOCUMENT FORMATTING REQUIREMENTS

SGP editing team takes over the time consuming task of formatting a manuscript and allows researchers to focus only on research.

FREE OF LANGUAGE EDITING

SGP editing team undertakes the language editing for those researchers who feel uncomfortable with ENGLISH writing.

FREE OF PAGE LIMITS

SGP believes researchers should be allowed to present their research work in full length rather than being limited. Our priority is to defend the completeness of research by allowing unlimited use of pages.

LOW PUBLISHING COST

All the above quality services are applied without any extra cost rather than the Article Processing Charges (APC) equal to **100€** per journal publication and **300€** per book chapter (including a hardcopy of the book and the shipping costs).
